HALTER CLASSES

All llamas shall be present for judging with a halter and lead rope.

Nursing llamas cannot be accompanied in the ring by their babies. Show management recommends not showing nursing mothers. The Judge may dismiss animals exhibiting unruly or unsafe behavior from the ring. Dismissal can take place even before the animal enters the ring if show personnel bring the matter to the Judge's attention.

The Judge may dismiss an exhibitor and their animal from any class if the exhibitor mistreats their animal. Show management may dismiss an exhibitor and their animal from participation at the show if the exhibitor mistreats their animal.

Llamas may not be moved from one class to another after halter judging has begun, except at the Judge's discretion.

Youth between the ages of 8 through 18 may show intact males. It is recommended that youth under 8 years of age not show intact males and youth between the ages of 8 to 12 years not show intact males over 24 months of age.

Handler attire should be conservative, neat and appropriate for the class. Shoes should be appropriate for the show ring (open toed shoes, sandals and bare feet will disqualify the exhibitor). Suggested attire is dark pants or skirt and white shirt or blouse. **For this show we encourage you to express the Christmas theme with a red, green or white shirt or blouse – we would like you to be festive and comfortable!**

Exhibitors shall not knowingly exhibit animals in any ILR class, which, in their opinion, exhibit unsoundness.

Exhibitors are responsible for following the progress of the show and shall be at ringside ten minutes before their class is called. There will be a loudspeaker that runs throughout the fairgrounds, so please listen for your classes.

An exhibitor shall not knowingly show where there is a conflict of interest with the Judge. The burden of responsibility is with the owner, exhibitor or trainer to recognize a conflict of interest.

The **Production Pair** would be defined as two offspring representing either the sire or dam and be judged as the ability of a parent to pass on positive traits to their offspring.

Bred and Owned consists of one animal. This animal must have been bred, born and still be owned by the original breeder.

Age Division Descriptions:

- Juvenile: 5 months up to less than 12 months.
- Yearling: 12 through less than 24 months.
- Two-Year Old: 24 months through less than 36 months.
- Adult: 37 months and older

NOTE: On a llama's birthday, the llama moves up to the next older class

Non-Breeding Llamas These classes are for geldings, vasectomized males, and spayed or non-reproductive females. There are no sex or wool divisions.

Rule: a registration or veterinarian certificate verifying status must accompany these llamas. Age Divisions: same as other halter classes but no juvenile class is available and these llamas will not be included in the best

of show male/female competition.

FLEECE SHOW –SHORN FLEECE AND FLEECE-ON FLEECE

This is a double point fleece show. More information is provided in a separate packet. Shorn fleece must have a separate entry tag. Color champions will be awarded in both shorn and fleece-on for white/beige, fawn, gray, brown, black and fancy/multi.

FINISHED PRODUCTS descriptions are on the class list.

We encourage all exhibitors to mail both shorn fleeces and finished products to the superintendent. Entry forms and fees are to be mailed with fleece entry.

PERFORMANCE CLASSES Obstacle, Public Relations and Pack Classes: The purpose of these classes is to demonstrate the well-trained animal's obedience and willingness to complete the activities requested by the handler.

Youth will be allowed to enter Open classes. However, the **same animal will NOT be allowed** to show in **both** a Youth Class and an Open class.

Llamas are to be entered in the division for which they are eligible at the time of the show. Halter class rules also apply.

Classes are open to any llama five months of age or over, except if otherwise specified in the class requirements. A llama may be entered in only one division of the respective class. It is the exhibitors' responsibility to enter the correct division.

Alpacas may be entered and compete in the performance and Showmanship classes with the llamas.

Llamas must make an attempt at each obstacle, otherwise it will be counted as "off course." In adult classes, llamas must make only one attempt at each obstacle. If obstacle is not completed, they will be judged accordingly and then go on to the next obstacle. A llama or handler going off-course cannot place over an animal that completed the course.

Coaching from the sidelines by spectators is discouraged and may compromise the exhibitor's scoring. After refusals at three obstacles, it will then be mandatory for the Judge to dismiss the exhibitor from the course. This procedure is not to be used in Youth classes without prior agreement of show management and explanation to the exhibitors.

In obstacle classes, it is at the Judge's discretion whether the handler must negotiate the obstacles. Only voice and hand commands may be used in exhibiting animals. No written notes may be used in performance classes.

Exhibitors may request the Judge provide a review of their individual score cards. Scorecards may not be reviewed without the permission of the Judge. All score sheets should remain the property of the Judge and only interpreted by the Judge with exhibitors on an individual basis.

Showmanship Classes: A Showmanship class is a demonstration of the handler's ability to show his/her animal to its best advantage at halter. Judging is based on the exhibitor's basic skills in fitting, grooming,

following directions, and style of presenting the animal to the Judge for evaluation. The animal's conformation is not to be considered. Handler's attire should be neat, clean, and appropriate for the class.

YOUTH CLASSES: Age Categories (youth's age is based on their age on January 1st, 2011):

- Junior: 7 years through 11 years
- Intermediate: 12 years through 15 years
- Senior: 16 years thru 18 years

All youth ages 7 through 18, as of January 1 of the calendar year, may show in the following classes.

SHOW SUGGESTIONS: Both handler and animal should be neatly groomed and attired. When in the show ring, do not talk with ring personnel or other handlers unless required. Concentrate on showing your animal to its best ability. Your animal can be more easily evaluated if it leads well and stands quietly. Encourage your animal to defecate before entering the ring. Watch closely for instructions from the Ring Steward or Judge. Be ready to show your animal's number to the Ring Steward or Judge when necessary.
